OBJECTIVE

The objective of the "Sustainable Sarawak Seminar 1st Series" is to foster a comprehensive understanding of the Sustainable Development Goals (SDGs) with a particular focus on inclusivity. This seminar aims to:

RAISE AWARENESS

Educate participants about the importance and objectives of SDGs 1, 2, 5, and 10, emphasizing their relevance to Sarawak's socio-economic landscape.

PROMOTE ECONOMIC OPPORTUNITIES

Highlighting and sharing information about available economic opportunities and assistance programs that can support and benefit the public.

ENCOURAGE COMMUNITY ENGAGEMENT

Engage local leaders, including the Ketua masyarakat, Ketua Kaum, Saberkas Women's Bureau, and local authorities, to collaborate and drive initiatives that address poverty, hunger, gender equality, and social inclusion within their communities.

FACILITATE KNOWLEDGE SHARING

Provide a platform for the exchange of ideas and best practices through presentations on ending poverty, eradicating hunger, achieving gender equality, and fostering an inclusive environment for all community members in Sarawak.

It is our hope that, at the end of this seminar, participants will:

- i. Have a clearer understanding of the SDGs
- ii. Have inspiration in practicing SDG practices
- iii. Leverage economic opportunities to improve well-being and inclusion at the community level
