You are required to select which online database that you want to access.

7. Example of selection : **Subscribed E-Journals**

8. Subscribed E-Journals front page.

Subscribed E-Journals

Subscribed E-Journals - E-Journals that are subscribed by Pustaka Negeri Sarawak, is accessible from within the library, from SarawakNet (the Sarawak Government's Intranet), as well as from home.

 Open to all registered members. Log in from main page only.

Journal of Petrology
The *Journal of Petrology* provides an international forum for the publication of high quality research in the broad field of igneous and metamorphic petrology and petrogenesis. Papers published cover a vast range of topics in areas such as major element, trace element and isotope geochemistry and geochronology applied to petrogenesis; experimental petrology; processes of magma generation, differentiation and emplacement; quantitative studies of rock-forming minerals and their paragenesis; regional studies of igneous and meta morphic rocks which contribute to the solution of fundamental petrological problems; theoretical modelling of petrogenetic processes.

RSC Publishing
Welcome to the RSC, the largest organisation in Europe for advancing the chemical sciences.
RSC is the world's leading scientific publishers, offering an exceptional range of peer-reviewed journals, magazines, books, databases and publishing services to the chemical science community.

Pustaka subscribed only to the following titles:

1. JOURNAL OF ENVIRONMENTAL MONITORING
<http://www.rsc.org/publishing/journals/em/index.asp>
2. ISSUES IN ENVIRONMENTAL SCIENCE AND TECHNOLOGY
(This is a book series. Articles available for the current year only)
<http://www.rsc.org/shop/books/series.asp?seriesid=12>

SpringerLink
SpringerLink is one of the world's leading interactive databases for high-quality STM journals, book series, books, reference works and the Online Archives Collection, SpringerLink is a powerful central access point for researchers and scientists.

CAMBRIDGE LAW JOURNAL
The *Cambridge Law Journal* publishes articles on all aspects of law. Special emphasis is placed on contemporary developments, but the journal's range includes jurisprudence and legal history. An important feature of the journal is the Case and Comment section, in which members of the Cambridge Law Faculty and other distinguished contributors analyse recent judicial decisions, new legislation and current law reform proposals. The articles and case notes are designed to have the widest appeal to those interested in the law - whether as practitioners, students, teachers, judges, or administrators - and to provide an opportunity for them to keep abreast of new ideas and the progress of legal reform. Each issue also contains an extensive section of book reviews.

Pustaka subscribed only to the following titles:

1. Asia Pacific Journal of Management
2. Information System & E-Business Management
3. Journal of Plant Research

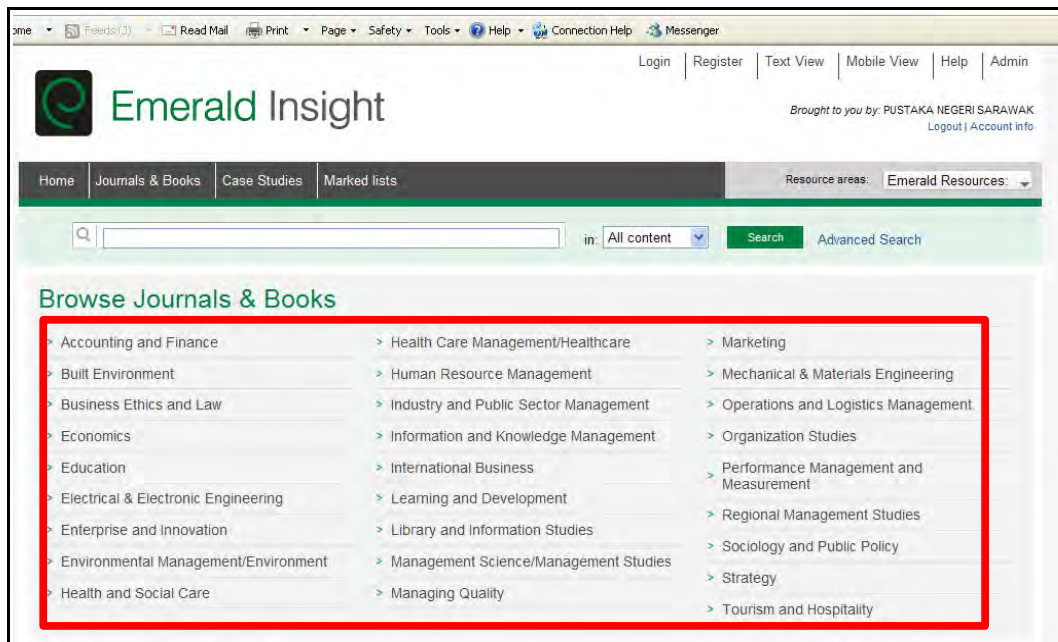

TESOL Quarterly
TESOL Quarterly (TQ), a refereed professional journal, fosters inquiry into English language teaching and learning by providing a forum for TESOL professional to share their research findings and explore ideas and relationship in the field. TQ's readership includes ESOL teacher educator, teacher learners, researchers, applied linguists, and ESOL teachers. First published in 1967, TQ encourages submission of previously unpublished articles on topics of significance to individuals concerned with English language teaching and learning and standard English as a second dialect.
