Curious White Tiger Hoya's Exploration in the Forest

One morning, when both his mom and dad are at home, Hoya asks them to go to the woods to play after eating. But Hoya's mom and dad just search hard on their laptop and cell phones, saying the forest is dangerous. Tired of waiting, Hoya sneaks out of the house and starts an amazing expedition in the forest. Touching the giant tree, listening to the song of a small bird, smelling the scent of flowers, eating raspberries, and observing small insects, Hoya awakens his own senses. Is it important to know forests or to feel forests? You should also go on an exciting sensory trip while exploring the forest like Hoya!
